

## The ALPHA Ambassador Referral Fee Program

At ALPHA, we greatly value our consultants and consider them a key part of our diverse and hard-working team. Their unique skills, qualifications, and work ethic are an important component of our success, and we want to provide opportunities for them to share in our gains.

As our business continues to expand, we're constantly looking for new talent to work on assignments with our premier customers. Please consider being an ALPHA Ambassador by making a referral- it's an opportunity to help a friend while helping yourself.

### How the program works

- If you refer a Consultant that ends up being hired by ALPHA for a job with an existing client, you will receive a referral bonus.
- The Consultant you refer must be on billing for 90 days after their start date for you to qualify for payment.
- Referral fees are only paid via check.
- To be eligible for a referral payment:
  - You must be the person who referred the Consultant to ALPHA.
  - The Consultant must be hired by ALPHA.

Thank you for being part of Team ALPHA!
